

# The Cumberland Heights Children's Program

The Cumberland Heights Children's Program teaches kids to safely express their feelings. Once they understand addiction is a chronic illness, they begin to understand that they are not to blame.

At Cumberland Heights, we utilize art, games, recreation, and theater to help them express the inexpressible. Children discover hope and healing in this safe environment.

## SUMMER 2019 PROGRAMS

The program is for children ages 6-12 that have been impacted by addiction
